what is
Patient Portal

Know your health...
...Know yourself

This Practice is now offering our patients easy and private access to their medical information online, so you can view your personal health record whenever and wherever you have access to the Internet!

Gain access to your private health information and receive periodic updates and reminders from your doctor on your personal e-mail address!

what are my **Patient Benefits**

With Patient Portal, you will have access to:

-  **Appointments**
Keep track of upcoming appointments
-  **Lab Orders**
View lab orders
-  **Medication**
Request prescription refills
-  **Medical Records**
View your personal health record
-  **Messages**
Send and receive messages from staff
-  **Reminders**
Receive health reminders
-  **Demographic Information**
View demographic information
-  **Referrals**
View referrals

how do I **Get Web-Enabled**

To gain access to our secure server on Patient Portal and become web-enabled, simply sign up by providing us with a personal (non-work) e-mail address.

You will be able to securely log in with your username and password, and gain access to your personal health record and other helpful features from any computer or smartphone with an Internet connection!
